G.E. Fuller and Associates  
15th East 4th South  
Salt Lake City, Utah 84111

Dear Mr. Fuller:

Our files show that in 1976 your company had Turquoise Stone mining claims in Section 18, T. 13N., R. 13W., Box Elder County, Utah. At this time the Division would like to inquire as to the status of this venture.

As you may know, any company engaging in active mining operations must file a Notice of Intent to Mine and a Mining and Reclamation Plan with this Division to be in compliance with the Utah Mined Land Reclamation Act.

Please inform us as to the status of your operation within 30 days of receipt of this letter. If no response is received from you, the file for this operation will be handled as inactive and any mining which may take place by your company will be considered as being in possible violation of 40-8-1 et seq., Utah Code Annotated as amended.

Sincerely,

RONALD W. DANIELS  
COORDINATOR OF MINED  
LAND DEVELOPMENT
